Research department of Commerce and Management Studies, St. Thomas College (Autonomous), Thrissur offers a value added program named 'Value added course for CA' which is aimed to make students equipped to face CA examination. Chartered Accountancy is one of the best courses to opt for higher education as it is one of the respectful and challenging career fields. Chartered accountants are those professionals who are qualified to take on specific activities within the spectrum of accountancy. The professional body that governs this group of accounting professionals is the *ICAI (Institute of Chartered Accountants of India)* under the Act of parliament. The course includes topics such as auditing financial statements, filing tax returns, and financial advising. CA course syllabus and system is subdivided into three levels as Foundation level, Intermediate level, and Final level.

The course consists of 150 hrs. 19 students were benefitted by the course. Our value added course coach students to clear CA in flying colours.
